New Letter

European Tour Summer 1962.

THE AMERICAN ASSOCIATION  
OF  
EUROPEAN FRATERNITY STUDENTS

Dear Members:

We had an excellent trip to Europe last summer. -- Stories of adventure and romance circulated upon the return. Strange experiences in sign language while hunting rooms in hotels, or, ordering dishes, not knowing what it will be. This and much more, but you have to ask those who participated.

Lufthansa Airlines supplied us with their latest creations of culinary art, and vintage refreshments from better wine cellars. For this and their courteous service we thanked them in the name of all members.

To continue the traditional visits to the old continent, we contracted again our own plane from the Lufthansa for the next summer. The cost and duration of the trip is the same as the last one (for details see the enclosed Travel Announcement).

Members who have not yet renewed their membership for the next year (Oct. 15th, 1961 - Oct. 15th, 1962) are urged to do so immediately by sending in the Renewal Form below, thereby not losing their seniority in membership.

Appropos, new applications for membership are invited. Your friends may become supporting members if you sponsor them. An application form is available below.

(Note: To participate in the flight, persons must have been members for at least 6 months prior to the flight.)

In concluding this letter, a reminder:-- For you to assume a seat, make reservations now, as last summer we had about 50% more applicants than available seats.
